Portfolio

SUMMARY

Highly motivated Full-Stack Developer with expertise in React.js, Node.js, and Django. Passionate about building scalable and high-performance applications with a focus on seamless user experiences and efficient backend logic. Skilled in developing RESTful APIs, integrating third-party services, and optimizing frontend performance. Proven ability to increase user engagement by 20% and streamline workflows for efficiency.

TECHNICAL SKILLS

- Frontend: React.js, JavaScript, HTML, CSS, Responsive Design
- Backend: Node.js, Express.js, Python, Django
- Databases: MongoDB, PostgreSQL
- Other: RESTful APIs, Git, WebSockets, Authentication & Security

EXPERIENCE

Orange Infotech — Junior Software Developer

January 2024 – Present | Noida, India

- Developed and optimized a React.js frontend, increasing user engagement by 20%.
- Built scalable backend services in Node.js and Django, improving API response time by 30%.
- Integrated third-party APIs for payment, authentication, and notifications, enhancing system functionality.
- Collaborated with cross-functional teams to implement new features based on client requirements.
- Led code reviews and implemented performance optimizations, reducing server downtime by 15%.

PROJECTS

Yoga Website

Technologies: React.js, Node.js, MongoDB

[\[Live Demo\]](#) | [\[GitHub\]](#)

- Developed a full-stack yoga booking platform with a dynamic class scheduling system.
- Implemented secure authentication and role-based access control.
- Enhanced user experience, leading to a 30% drop in user complaints.

Movie Streaming Website

Technologies: React.js, TMDB API, JavaScript

[\[Live Demo\]](#) | [\[GitHub\]](#)

- Created a platform for browsing and streaming movies and TV series using TMDB API.
- Designed a fully responsive interface to ensure seamless compatibility across devices.
- Integrated streaming APIs (e.g., Smashya Stream, VSRC) to provide reliable streaming functionality.

Shopping Website

Technologies: Django, PostgreSQL, HTML, CSS

[\[Live Demo\]](#) | [\[GitHub\]](#)

- Developed a feature-rich e-commerce platform with product management and user authentication.
- Implemented a secure payment gateway and real-time order tracking system.
- Improved system efficiency, increasing sales by 15%.

EDUCATION

GGSIU – Bachelor of Technology in Mechanical Engineering

Aug 2017 – Sep 2021 | Delhi

- Coursework: 📖 **Full-Stack Web Development** – Udemy
- Certifications: [\[HTML\]](#), [\[CSS\]](#), [\[JavaScripts\]](#), [\[React\]](#), [\[Node.js\]](#), [\[MongoDB\]](#), [\[Django\]](#), [\[PostgreSQL\]](#), [\[Git\]](#)
